Instantly***

Quickly browse the city's best attractions, hotels, restaurants, Niagara events, job postings, movie listings, coupons, border crossings, photo sharing, post reviews, real estate, news, weather, live streaming radio, and much more.

With this free app, users can also retrieve directions to each listing using supported map and navigation technology.

Explore Niagara's database is always expanding, so use this app to stay up-to-date with all things Niagara.

Promote your upcoming events FREE, on www.exploreniagara.ca and see it instantly on the Explore Niagara app.
